Iconic or Defining Moments

- As you look back at your career journey, can you tell us about a historical or pivotal moment in your career?
- Share with us a *proud* moment...

Career Do-Over Opportunity

- If you could do-over anything in your career, what would that be?

Self-Discovery

- What is one thing you discovered about yourself as your career progressed? (or maybe even just this morning?!)

Inspiration & Influence

- What inspires you both professionally and personally?
- Do you have a significant role model or someone who inspires/influences/encourages you?

Security Leadership Qualities

- What do you believe are qualities that every security leader should have?
