1. Know Your Role

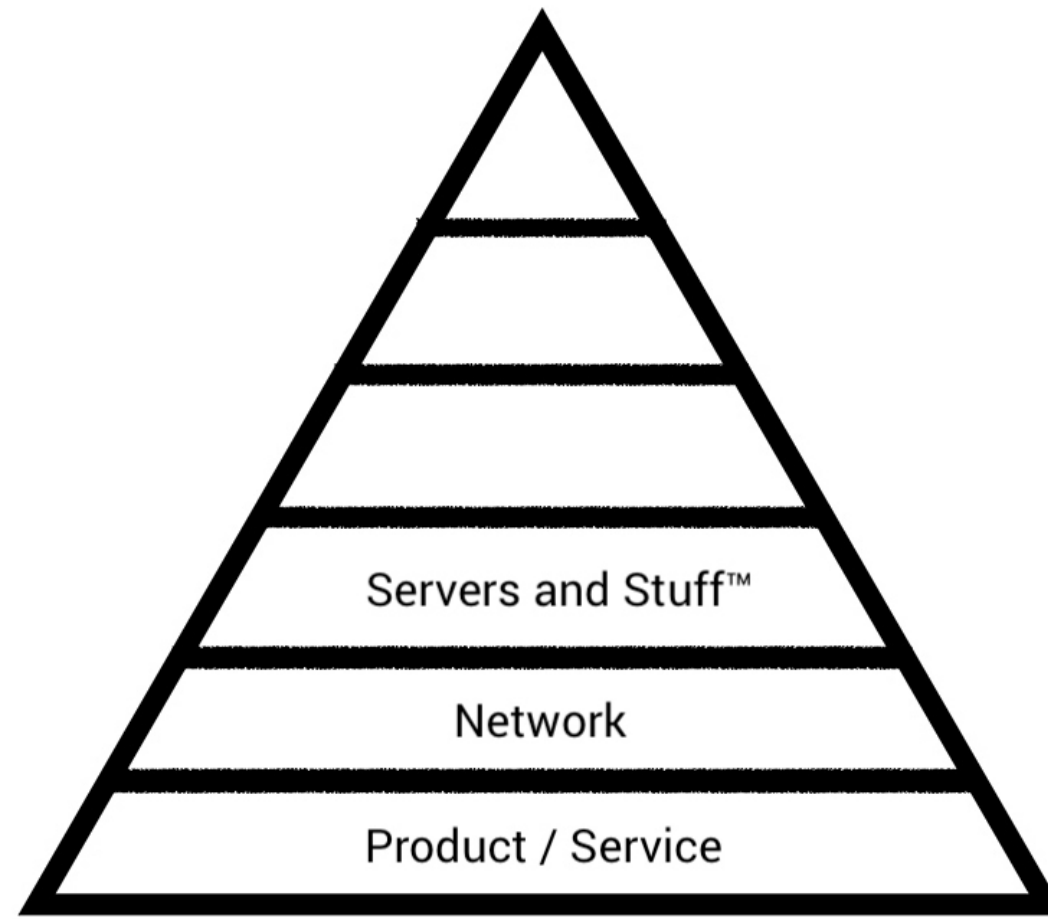

1. Know Your Role

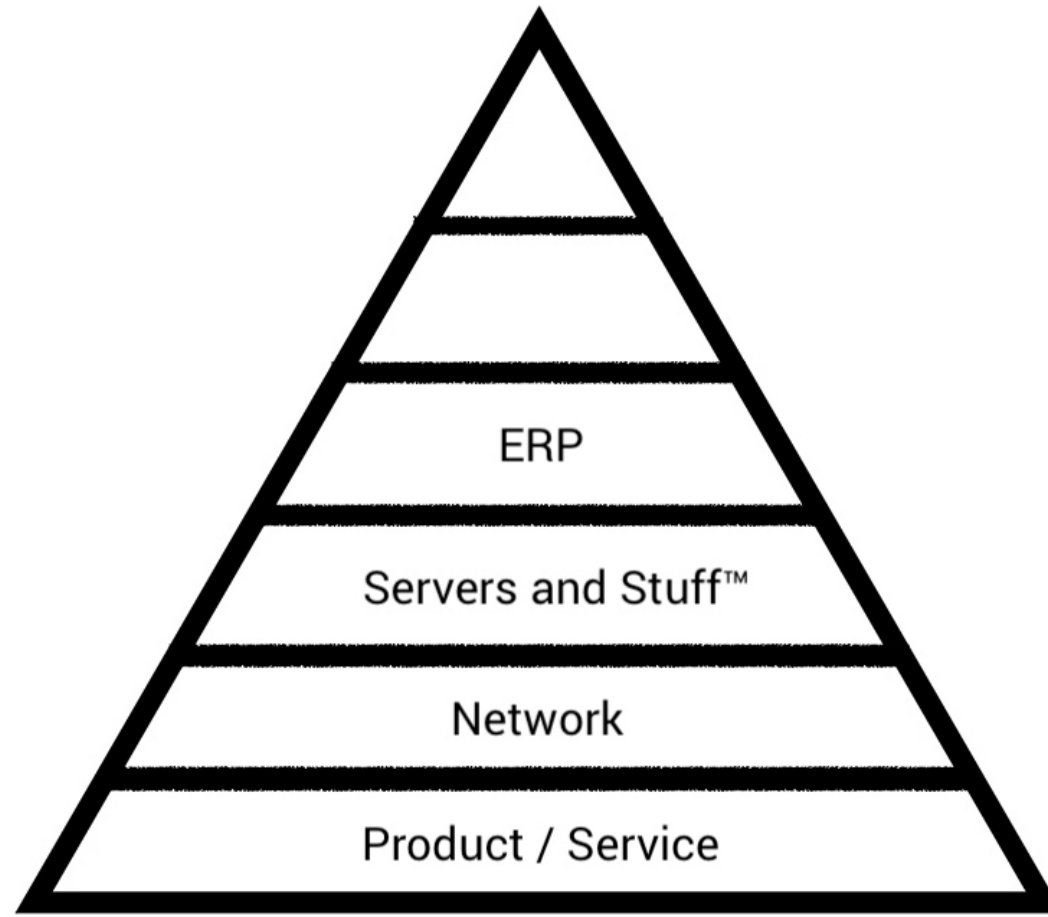

1. Know Your Role

2. You Can't Have it All

3. No Ivory Towers

4. Channel Your Inner Cowboy

5. Execute!

Summary

1. Know your role! Think holistically!
2. "There are no solutions, there are only trade-offs."
3. Climb down from your ivory tower and get in the trenches
4. Put your cowboy boots on; ask for forgiveness, not permission
5. Have a plan and execute

“Typical behavior will always yield typical results.”
