# Mindset

- Why does mindset matter in leadership and how do you practice being mindful throughout your day?
- How important is it to adapt as a leader?
- What advice would you give your 25-year-old self?

# Culture

- How do you bring your authentic self to your role every day?
- Why are women important in leadership?
- What have you learned from the women leaders in your career?

# Behavior

- What does leadership behavior look like?
- How does being a parent impact, one being a leader?
- What advice would you give the next generation of women leaders?
