Adversaries Turning to Cyber as Weapon of Choice

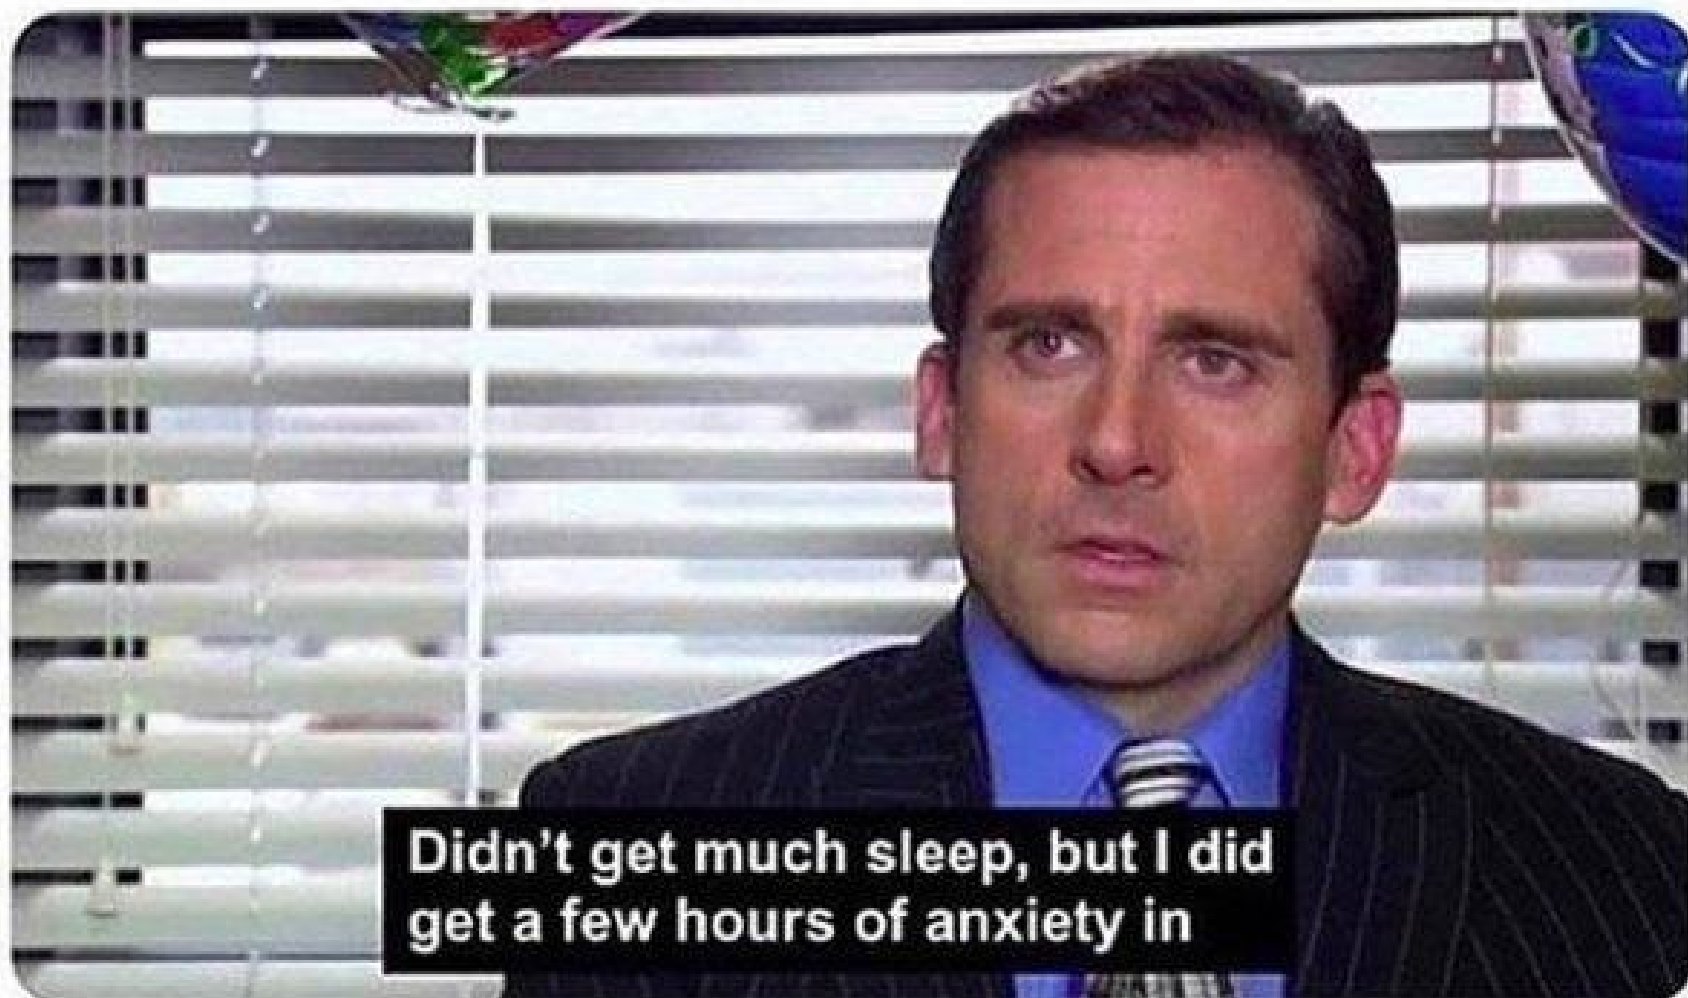

Beth Sanner

Former Deputy Director of National
Intelligence, Department of National
Intelligence

Adversaries Turning to Cyber as a Weapon of Choice

When someone asks you how your night went

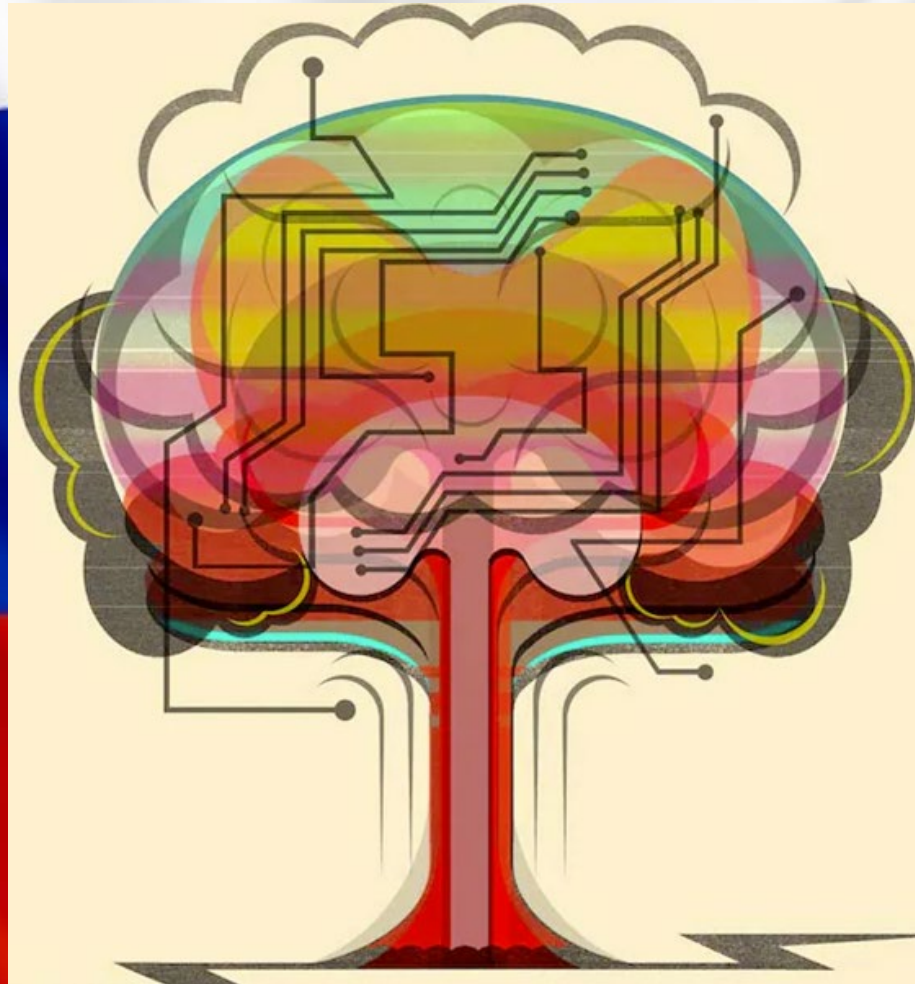

Didn't get much sleep, but I did get a few hours of anxiety in

A world of pain

Risk of Russian Cyber Attack Yet to Peak

A composite image featuring Vladimir Putin in the foreground, wearing a dark suit and tie, with a serious expression. The background is a collage of war-related imagery: on the left, a military vehicle with a 'Z' emblem is engulfed in flames; on the right, a soldier in camouflage is operating a large anti-aircraft gun. The overall scene is set in a battlefield environment with smoke and debris.

A large graphic featuring a stylized eagle with its wings spread, perched on a circular emblem. The eagle's body is filled with a circuit board pattern. The background is a deep red with black, wavy, flame-like patterns. In the bottom right corner of the circular emblem, there is a small Twitter logo and the handle "@homelandjustice".
